EDITORIALS

Kennedy's Next Three Years. Urges President Kennedy to utilize his leadership potential as U.S. and her Western allies can win the cold war, enjoy era of economic prosperity; advocates new farm policy, basic tax reform and supports Kennedy's proposed foreign trade program and view that U.S. alone cannot carry burdens of world struggle against Communism * EDIT 5 J 4

Odd Views in Wall Street. Criticizes investors for letting on stock price inflation without considering possibility of market drop * EDIT 12 J 4

Use and Limit of Shelters. Advocates limited government fallout shelter program not as war deterrent but as a means of saving lives valuable to re-building the nation in the event of nuclear attack; cites debate between Herman Kahn and Erich Fromm in *Commentary* on benefits, dangers of shelters * EDIT 12 J 4

Let's Be Firm On Castro. U.S. must take strong, effective action against threat of Castro's Communist imperialism in upcoming OAS meeting in Punta del Este, Uruguay; should support Colombia's proposals to use economic sanctions against Cuba, withdraw diplomatic recognition and set up commission to police, check Communist inroads; criticizes President for omitting address to Cuba in State of Union address * EDIT 19 J 4

Our Hope for France. Decries bitter Algerian guerrilla war between French Army and rebel F.L.N., sees real danger in dihard Algerian independence but hopes President de Gaulle can bring about cease-fire, de Gaulle can see to struggle * EDIT 19 J 4

Higher Hopes for Schools. Deplores conditions in Negro slum neighborhood schools need not be that way if parents and the Negro community will cooperate to remedy situation as has been done in St. Louis and New York * EDIT 26 J 4

Sukarno's Bid for Trouble. Urges U.S. lend support to Dutch in their dispute with Indonesia's Sukarno over possession of Netherlands New Guinea; Sukarno's aggression supported by Russia, Dutch willingness to negotiate unmet by Sukarno * EDIT 26 J 4

High Aim: Freer World Trade. Supports President Kennedy's foresighted foreign trade policy that will encourage free enterprise, allow U.S. to compete effectively with Common Market while helping to cure balance of payments problem, promoting prosperity * EDIT 2 F 4

For The Farm Mess, An Ax. Criticizes Kennedy Administration's proposed farm program, says it merely extends ineffectual subsidy system; lauds program's inclusion of dollar ceiling for dairy farmers, suggests ceiling be set for whole agricultural budget * EDIT 9 F 4

Yes But, Virginia. Criticizes High School student Virginia Olsen's condemnation of patriotism in her school's newspaper editorial "A Higher Loyalty"; sees universality in true American patriotism founded on principles of Declaration of Independence * EDIT 9 F 4

See The World! New luxury liners, low airplane rates, student exchange programs, organized excursions and group tours are enabling more Americans to travel extensively, better acquaint themselves with their neighbors * EDIT 16 F 4

Chins Up, Republicans. Urges G.O.P. to make supreme effort during fall election to gain House seats, open Governorships; stresses need for concentration on serious issues, good local government, utilizing wave of responsible conservatism permeating Midwest * EDIT 23 F 4

Now Listen To A Marine. Urges practice of reviewing speeches by military be maintained with reforms left to Defense Secy. and Pentagon officials; quotes Senate testimony of Marine Commandant Shoup who brought overblown issue down to size by emphasizing importance of combat training rather than indoctrination of troops against Communism * EDIT 23 F 4

Liftoff and Uplift for the U.S.; A World's Hope. Lauds John Glenn's successful orbital space flight as it puts U.S. back in space race, stirs U.S. pride, wins congratulations from

Khrushchev and an offer for international collaboration on future space projects * EDIT 2 Mr 4

Bar's Concern About the Bench. Warns against influence of partisan politics in appointments to federal judgeships, criticizes Kennedy's Democratic appointments, urges concern for quality of American justice, lauds Eisenhower administration for non-partisan appointments * EDIT 2 Mr 4

Hero's Words To Cherish. Astronaut John Glenn's speech to nation after successfully orbiting globe points up best qualities of American heritage—patriotism, vision, confidence in mankind, faith and reverence in a Supreme Being * EDIT 9 Mr 4

A Third Man Sitting In. Criticizes Labor Secy. Goldberg's doctrine on government representation "national interest" at bargaining table but concedes its practicality, urges Kennedy administration practice theory in steel and railroad negotiations to achieve noninflationary, efficient settlement * EDIT 9 Mr 4

For 'Alliansa' A Warning. Alliance for Progress in trouble because of Latin America's failure to meet promises of tax, fiscal and social reform and resulting fear of U.S. business to invest; President Kennedy must demand action on reform measures * EDIT 16 Mr 4

For Nehru an Opposition. Extends wishes for future success to new Indian political party the Swatantra as it emerges in third place after recent election; Swatantra campaigned on efficient anti-Communist platform * EDIT 16 Mr 4

Big Brother For Consumers? Lauds President Kennedy's proposed Consumers' Advisory Council to review quality of consumer goods, require proper labeling, tighten regulatory standards but sees tax reform as best aid to consumer; urges Congress set careful guidelines for program so Council won't become overzealous big brother * EDIT 23 Mr 6

Non-Beatnik Hope In Russia. Sees hope in Russia's current youth rebellion against a society of shortages and deprivations as personified in poet Evtushenko whose poem *Baby Yar* represents startling frankness in criticizing present Russian regime * EDIT 23 Mr 6

A Victory Won By Reason. Hails Charles de Gaulle for moderating end to Algerian civil war, lauds mediators Louis Joxe, Belkacem Krim for producing agreement giving Algeria her independence; agreement is guide for liquidation of other obsolete colonial situations, should challenge U.S. sympathies for development of free, democratic Algeria * EDIT 30 Mr 6

The No-Longer Almighty Dollar. Dollar losing supremacy because of series of deficits in balance of payments, gold drain; U.S. must balance domestic budget, step up exports to equal imports and improve competitive position, lead others through view of international monetary order * EDIT 6 Ap 34-35

For A Year's Foreign Policy: 'A' For J.F.K. Praises President Kennedy's foreign policy accomplishments during year since Cuban invasion failure; discusses administration stand on Berlin, South Vietnam, Congo, Foreign trade, nuclear testing, disarmament and relations with allied powers, notes success of Peace Corps, Alliance for Progress * EDIT 13 Ap 4

Two Cultures Harmonized Under God. Supports C. F. Snow's thesis that an intellectual gulf exists between science and the arts, condemns suppression of specialization as solution but urges creation of harmony and truth over whole scope of knowledge, acceptance of responsibility to know, honor and explore all God's works in Christian spirit * EDIT 20 Ap 4

Being Right When It Hurts. Lauds national spirit evidenced by recent Roper poll finding majority of U.S. business, labor leaders in favor of President Kennedy's tariff-cutting program even though their own industries may suffer * EDIT 27 Ap 4

A Bold Program To Untangle Transportation. Lauds President Kennedy's proposed program to set national policy for transport, clean up outdated laws and overregulation, build efficient national transport system * EDIT 27 Ap 4

China's Refugees: Something Can Be Done Now. Flow of refugees from Red China is overburdening Hong Kong; urges U.S. Congress to pass Hart bill increasing China's immigration quota, admitting additional 50,000 refugees per year; suggests U.N. High Commission on Refugees extend coverage to China; lauds British handling of problem since '47 * EDIT 4 My 4

Score The Major Three Errors. Criticizes Maj. Arch E. Roberts's speech to D.A.R. for which Army suspended him, says such right-wing tactics cloud basic fight against Communism * EDIT 4 My 4

A Look Ahead After the Blitz on Steel. Urges minimum government intervention in business, labor problems and passage of clearly defined legislation on underlying powers involved after President Kennedy's tough handling of threatened steel price raise * EDIT 11 My 4

Bismarck, Lenin and Lincoln? Flays Edmund Wilson's *Patriotic Gore*, a critique of Civil War literature, condemns his personal interpretation of history and his comparison of Lincoln to Bismarck and Lenin * EDIT 18 My 4

It's Bigger Than Billie Sol. Estes scandal in West Texas over manipulation of cotton acreage allotments and mortgage fraud points out corruption in farm subsidy system. G.O.P. should push for congressional investigation, end to legal subsidy racket * EDIT 18 My 4

What Wall St. May Be Saying. Stock market indicates steady confidence in U.S. economy despite day of panicky selling, sharp rally * EDIT 25 My 4

What De Gaulle Shouldn't Say. Criticizes De Gaulle's mistrust of NATO, opposition to common nuclear strategy, absurd fear that U.S. is isolationist, disdain for "supranational" aspects of Common Market; urges Germany and France to trust U.S. * EDIT 25 My 4

We Must Act Now For Refugees. Reviews problems arising from flow of refugees from famine-struck Red China into Hong Kong and nearby Macao, urges emergency government action to expedite admission of Chinese into U.S. * EDIT 1 Je 4

It Is High Time To Blow The Whistle On Tito. Urges end of U.S. aid to Yugoslavia in light of Tito's obvious pro-Soviet ties recently evidenced by arrest of former aide Milovan Djilas after publication of Djilas' anti-Communist memoir *Conversations With Stalin*. * EDIT 1 Je 4

How To Put More Zing into the Economy. Outlines four steps to improve U.S. economy and restore business confidence: put unions under antitrust laws, aim for budget deficit, throw out Kennedy-Freeman farm plan in favor of lower price supports, revamp tax structure * EDIT 8 Je 4

Medicare, Yes, But a Bad Bill. Criticizes King-Anderson plan of medical care for aged under Social Security, urges Republicans to kill bill, draft new proposal bypassing Social Security and using federal tax exemptions, expanded coverage within private insurance facilities to help aged pay medical expenses * EDIT 15 Je 4

Hitching On To the Infinite. Notes impact growing space industry will have on U.S. economy, urges basic economic reforms to streamline fiscal policies, provide stability as well as growth; announcement of promised tax reform praised * EDIT 15 Je 4

Freeman Bill Is No Help Even to Farmers. Condemns Freeman farm bill, offers steps to improve existing farm mess * EDIT 22 Je 4

Let's Put Teeth into the Labor Laws. Urges President Kennedy and Congress to revamp Taft-Hartley Law by restraining strike weapon and reducing power of unions, hints unions should be rough under anti-trust regulations to restore collective bargaining process to proper balance * EDIT 29 Je 4

Ammunition for the G.O.P. Praises Republicans as they embark on Congressional election campaign; lists issues in their favor, attacks Administration's recent actions, venerable quality of their reaction to opposition * EDIT 13 J 4

Faulkner's Legacy: 'Honor, Pity, Pride.' Tribute to deceased author William Faulkner points up his literary legacy * EDIT 20 J 4

Tip from the New Europe on Recovery. Examines U.S. and European fiscal and monetary policies in light of improving our economy, urges U.S. to revamp tax structure along more pro-business lines followed in Europe, alter depreciation schedule to encourage private investment, balance budget and restore economic confidence * EDIT 27 J 4

Let's Cut Taxes as Step No. 1 to Broad Reform. Favors President Kennedy's rumored plans to ask Congress for tax cut, deplors conditions of present tax structure, believes country could bear increased budget deficit of tax cut since it would be a step toward reform * EDIT 3 Ag 4

Telstar, Telstar—Burning Bright. Hails successful launching of Bell Laboratories communications satellite Telstar * EDIT 3 Ag 4

Well Done, Mr. Ambassador. Applauds Llewellyn Thompson's outstanding record as he returns to U.S. after five-year tour of duty as our Ambassador to Russia, reviews his Foreign Service career * EDIT 10 Ag 4

Well Done, Mr. Mutual. Applauds baseball's aging but still active hitter Stan Musial of St. Louis Cardinals for his outstanding sports career, charitable and civic works * EDIT 10 Ag 4

Now Congress Should Take Lead in Lawmaking. Criticizes Congress for failing to produce alternative legislation when vetoing Administration's over-ambitious program, urges members to act with qualities of leadership as they have in the past * EDIT 17 Ag 4

Junta Troubles for Alliansa. Alliance for Progress hampered by Latin America's political instability and resulting hesitancy of land and tax reform necessary for success; Venezuela's ambitious land reform program and Colombia's upcoming tax reforms offer hope that other Latin American nations will eventually rally behind Alliansa * EDIT 24 Ag 4

Stake in Space: Our Survival. Urges U.S. to face importance of space race with Russia and its relation to world balance of power, turn present U.S. space program over to military control and appropriate more funds for adequate research and development * EDIT 24 Ag 4

More Respect For Privacy. Condemns seizure of private property, destruction of natural beauty for public works-construction, cites examples: flood control dam on Arkansas Buffalo River, highway on Fire Island, freeway along St. Louis coastline * EDIT 31 Ag 4

Fresh Troops Join the Battle of the Bard. Re-examines debate over true authorship of William Shakespeare's works in view of enlightening new books: *Shakespeare: The Man Behind the Name* and *Gibson's The Shakespeare Claimants*; considers evidence that Earl of Oxford, Edward de Vere may have been real playwright, recommends debate for evening's stimulation, r. EDIT 7 S 4

An Honor Due to a Great Friend. Urges U.S. Congress to pass joint resolution enabling President Kennedy to bestow honorary American citizenship on Sir Winston Churchill, historical precedent can be found in Marquis de Lafayette * EDIT 21 S 4

What Should Monroe Doctrine Mean? Blockade. Views Soviet military build-up in Cuba as direct challenge to Monroe Doctrine and urges U.S. military blockade of island; lauds President Kennedy's efforts to stop NATO allies from shipping Soviet goods to Cuba, summons OAS meeting, but advocates firmer measures * EDIT 21 S 4

Is the Student a Vessel or a Lamp to Light? Reviews plight of the U.S. educational system, compares it with Europe's, Russia's; supports Admiral Rickover's recommendations of increased classroom hours, setting up of national committee on educational standards * EDIT 28 S 4

Is Your Candidate Just a Local Boy? Urges American voter to consider national as well as parochial interests carefully during upcoming congressional, gubernatorial elections, criticizes political appeals to racial bigotry, pocketbook issues * EDIT 5 O 4

Let This Latin Voice Prevail. Criticizes thinking of those who believe pro-Castro demonstrations in Latin American countries, such as recent Panama rioting, reflect the attitude of all Latin Americans, cites examples that show many would welcome U.S. military intervention in Cuba * EDIT 12 O 4

Barnstorming Won't Fix Up the Country. Denies President Kennedy merits confidence vote in upcoming elections as he begins weekend barnstorming tours for Democrats; criticizes his handling of Cuba, economic policies but admits he's handled Berlin wisely; questions health of Democratic Party; advises voters to heed words of Sen. Javits before sending more Democrats to Congress * EDIT 26 O 4

An Eloquent G.O.P. Liberal. Quotes New York's Senator Jacob Javits on why he is a Republican and concurs with his reasons * EDIT 26 O 4

A New Resolve to Save the Old Freedom. Praises President Kennedy's speech on Soviet missile buildup in Cuba, announcement of U.S. Naval blockade to halt Communist aggression in Western Hemisphere as major turning point in cold war; urges Americans to support President's action even at risk of all-out war; lauds quick support of O.A.S., our European allies * EDIT 2 N 4

Coming Tests and Opportunity in Cold War. Expresses hope for showdown on Berlin as Kennedy acts in Cuban crisis on behalf of freedom's cause in the Cold War * EDIT 9 N 4

Our Link with India. Believes U.S. must support India in border war with Red China, reasons * EDIT 9 N 4

Cuba and the Future. Urges overthrow of Castro regime in the interest of maintaining hemispheric solidarity against communism through backing of anti-Castro forces, support of Alliance for Progress * EDIT 9 N 4
